Searching for evidence: a panel discussion on cross border e-disclosure from an English and French perspective

Our cross jurisdictional and bilingual panel of speakers will discuss the cultural and legal challenges arising in France and the UK posed by the volume and relevance of electronic evidence in cross border disputes.

The aim of the event is to raise awareness of this increasingly important area. It will provide tips for good practice in both countries and will highlight the importance of sound project management. The need for practical cooperation between foreign lawyers, technology service providers and clients is crucial to avoid costs penalties and embarrassment. Attendees will have an opportunity to share their personal experiences.

Panel:

- Mark Surguy: Legal Director at Pinsent Masons LLP.
- Caroline Jan: Solicitor at Pinsent Masons LLP.
- Claire Picard: Avocat at Salans.
- Vicky Harris: Business Development Director at Merrill Corporation.

Registration from 5.30pm, with prompt start at 6.00pm. This free event, which is kindly sponsored by Merrill Corporation and hosted by Pinsent Masons LLP, will be followed by a drink reception from 8pm.

The event is accredited for CPD points with the Solicitors Regulation Authority, Bar Standards Board and Ilex for 1.5 hours.

Non-member attendees are encouraged to join the Franco-British Lawyers Society.
